O R D E R

On November 3, 1980 Intervenors filed a Motion for Continuance and Motion for Substitution requesting that the rehearing scheduled November 14, 1980 be continued for at least thirty days and that the United Goshen Homeowners be substituted for the present Intervenors. An Amended Motion was filed November 6, 1980 requesting a continuance of at least sixty days. The Motion for Continuance states that Intervenors contemplate obtaining the services of various attorneys, engineers, accountants and other experts to provide testimony and that additional time is required to adequately investigate the matter and to prepare testimony. The Motion for Substitution states that the United Goshen Homeowners includes but is not limited to those individuals previously permitted to intervene.

On November 3, 1980 the Consumer Intervention Division of the Attorney General's Office filed its Motion for Continuance stating that the association of homeowners should be granted adequate time to review the case and present testimony and, further that a continuation of the rehearing will not result in any prejudice to Goshen Utilities, Inc. since Goshen has already placed into effect the rates approved by the Commission in its Order entered September 26, 1980.

The Commission points out that the rehearing was scheduled November 14, 1980 in order to expeditiously consider the numerous complaints received by the Commission and, further, that the customers of Goshen Utilities, Inc. should be aware that the

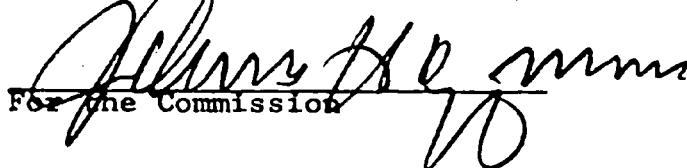

rates approved in the Order entered September 26, 1980 are presently being charged by Goshen Utilities, Inc. and will continue in effect unless modified by Order after rehearing.

The Commission, having considered the Motions and Amended Motion and being advised, hereby ORDERS that said Motions be and they hereby are sustained.

IT IS FURTHER ORDERED That the hearing in this case scheduled November 14, 1980 be and it hereby is rescheduled for January 21, 1981 at 5:00 p.m., Eastern Standard Time, at the Goshen Elementary School Gymnasium, Goshen, Kentucky.

Done at Frankfort, Kentucky, this 6th day of November, 1980.
